

Ocean Patriot - Stop Card of the Week

12 February 06

Colin Fidock of Weatherford "stop card " award winner for week ending 12th February 2006 being presented with his award by Upstream Petroleum Drilling Engineer Adelaide Lam . Colin observed that an emergency eye wash station had rags laying over it. He removed the rags. Emergency eye wash stations are essential safety equipment on the rig and should be maintained in good working condition. Remember that you may be the person wanting to use it.
