CALC. BENTHONICS I													
34. Cibicides subhaidingeri													
35. C. victoriensis													
36. C. thiara													
37. Astrononion sp. Carter													
38. Anomalinoides macroglabra													
39. Gyroidinoides subzealandica													
40. Baggina philippinensis													
41. Melonis pompilioides													
42. Cibicides opacus													
43. C. mediocris													
44. C. wullerstorfi													
45. Anomalinoides precolligera													
46. Cibicides brevoralis													
47. C. perforatus													
48. Anomalinoides planalatus													
49. Gyroidinoides zealandica													
50. Anomalina aotea													
51. Cibicides novozealandica													
52. C. karreriformis													
CALC. BENTHONICS II													
53. Elphidium crassatum													
54. Notorotalia crassinura													
CALC. BENTHONICS III													
not present.													
CALC. BENTHONICS IV													
55. Sphaeroidina bulloides													
56. Pullenia quinqueloba													
57. Nonionella sp?													
58. Cassidulina laevigata													
59. C. subglobosa													
60. Sphaeroidina varicillata
