Rectuvigerina spp.	r														
Eponides subhaidingeri	r	r	r												
Cibicides thiera	s														
Indeterminate fauna							f	c							
Cancris intermedius											r				
Baggina spp.											s		s		
Cassidulinoides bradyi												f	r	r	r
Cribrostomoides spp.												f	r	r	s
Cyclammina spp.												f	s	s	f
Ammodiscus spp.															
Osangularia bengalensis												f			f
Bathysiphon spp.															
Cyclammina elegans															
Textulariella cretosa															
Textularia spp.															
Gyroidina soldani															
Cibicides perforatus															
Gyroidina orbicularis															
Hyperammia spp.															
Gyroidina broekhiana															
Eggerella spp.															
Glomospirella spp.															
Pyralina cylindroides															
Brizalina alazanensis															
Oridosalis umbonatus															
Melonis spp.															
Planulina wuellerstorfi															
Glomospira spp.															
Haplophragmoides spp.															
Vulvulina spp.															
Indeterminate agglutinate															
Dorothia spp.															
Gyroidina zealandica															
Pullenia miocenica															
Glomospira charoides
