Dear Ms. *Kathy,*

RE: WEEKLY G95B SEISMIC REPORT

The following is the status of the Gippsland G95B seismic survey for the period 3/3/95 to 9/3/95 inclusive.

G95B - Billfish 2D Weekly Total (km)	21.019
G95B - Billfish 2D Total to Date (km)	1656.338

Production was prevented for most of the week by poor weather conditions. A total of 72% of the survey has been recorded to date.

Yours faithfully

R.G. Bellis
