    4.2 Data Submission and Reporting Table..... 10

**1. General Information***(Regulation 12- Part 3)**A titleholder must record the following information about an activity if applicable to the activity:*

a (i)	Location of the activity	State	VICTORIA
		Basin	OTWAY
		Title	VIC/P43 : Blocks 52 <i>(refer to 4.1)</i>
a (ii)	Period of the activity	From: 01/01/2005 to 10/08/2005	
b	Persons undertaking activity	Woodside Energy Ltd (Operator) on behalf of VIC/P43 Joint Venture	
c (i)	The techniques and equipment used to collect the data	N/A	
c (ii)	The techniques and equipment used to process the data	N/A	
c (iii)	The techniques and equipment used to interpret the data	N/A	
d	Progress reports	The following progress reports will be submitted to the DA for the activity/title: <b>VIC/P43</b> <input type="checkbox"/> Daily <input type="checkbox"/> Monthly <input checked="" type="checkbox"/> Quarterly <input checked="" type="checkbox"/> Annual	
e	Data acquisition report detailing the operations carried out as part of the activity	N/A	
f	If processing is undertaken as part of the activity — a data processing report	N/A	
g	If interpretation is undertaken as part of the activity — the interpretation, including maps	N/A	

## 2. Information Requirements

*(Regulation 12 - Part 3)*

### 2.1. Wells

**This DMP does not include the arrangements for submission of Well Data. Any wells drilled in the title area will be subject to a separate DMP**

### 2.2. Geophysical Surveys

*(Regulation 14 - Part 3)*

**This DMP does not include the arrangements for submission of Geophysical Data. Any surveys in the title area will be subject to a separate DMP**

### 2.3. Geological & Geochemical Surveys

*(Regulation 15 - Part 3)*

**This DMP does not include the arrangements for submission of Geological and Geochemical Data. Any surveys in the title area will be subject to a separate DMP**

**3. Requirements for DMP**  
(Regulation – Schedule 1, Part 1)

**3.1. Information and Statements**

*The contents of the DMP must include the following information:*

101	Description of each activity to which DMP relates each location where activity will be carried out	This DMP covers the arrangements for submitting Quarterly and Annual reports and the deliverables relating to studies and Data Reviews in year 6.
102	Description of reports & information that will be made and kept	Table #4.2 lists the information and reports that will be produced in relation to the activity. All information and reports listed in Table #4.2 will be submitted to the Designated Authority.
103	Explanation of data to be given to DA without request by DA information to be kept	All data and reports detailed in Table #4.2 will be provided to the DA without request.
104	Description of media and formats for information, cores, cuttings or samples held	N/A
105	Explanation of how media and formats in 104 are appropriate for type & volume of data collected, comply with DA requirements and comply with good industry practice	N/A
106	Undertake to allow access to data that is publicly available and explain how access will be allowed	Contact Operator to request access to data
107	Describe arrangements that ensure information is preserved according to good archive practice	N/A
108	Issue a statement that reports & information will be given according to the timetable outlined in Part 2 of the schedule or a timetable proposed in the DMP.	Reports & information will be given according to the timetable outlined in Table #4.2.
109	Summary of : (a) data management performance objectives against which performance will be measured <b>and</b> (b) measurement criteria that define the objectives	Reports and information will be given according to the timetable outlined in Table #4.2.
		N/A
110	Explain how the measurement criteria will confirm that the performance objectives have been met.	N/A
111	Summary of arrangements for:	
	(a) secure storage of documents and records at a nominated address and	Information and reports will be stored securely prior to being submitted to the Designated Authority.

	(b) maintenance of documents and records in a way that makes retrieval of documents and other records practicable.	Data and reports are stored electronically in Woodside Energy Ltd's document storage and retrieval system
112	Acknowledge responsibility for collection, storage, and submission of information, cores, cuttings & samples obtained until all have been submitted to DA.	The Titleholder(s) acknowledges responsibility for collection, storage, and submission of information, obtained until all have been submitted to DA.
113	Any other information that is necessary to demonstrate that the DMP complies with the Regulations.	N/A

### 3.2. Reports

#### 201 - Daily reports- Wells

**This DMP does not include the arrangements for submission of Daily Reports – Wells in the title area will be subject to a separate DMP**

#### 202 - Weekly reports- Geological or geophysical field surveys

**This DMP does not include the arrangements for submission of Weekly Reports – Geological or Geophysical field surveys in the title area will be subject to a separate DMP**

#### 203 - Quarterly Reports – Exploration Permit

Quarterly reports will include information of :

i	Description of exploration carried out
ii	Outline of geological & geophysical interpretations made as a result of exploration, including any reprocessing or re-interpretation of basic data
iii	An estimate of exploration expenditure for the quarter
iv	Statistics relating to the exploration
v	Any other information required by the accepted DMP

**204 - Annual Report – Exploration Permit**

Annual reports will include information of :

i	Description of exploration for petroleum that has been carried out
ii	Conclusions derived from the exploration
iii	List of reports that have been submitted during the year
iv	Outline of planned operations for the next year
v	If appropriate – updated interpretation maps
vi	Summary of exploration expenditure for the quarter (year)

**205 - Well Completion**

**This DMP does not include the arrangements for submission of Well Data. Any wells drilled in the title area will be subject to a separate DMP**

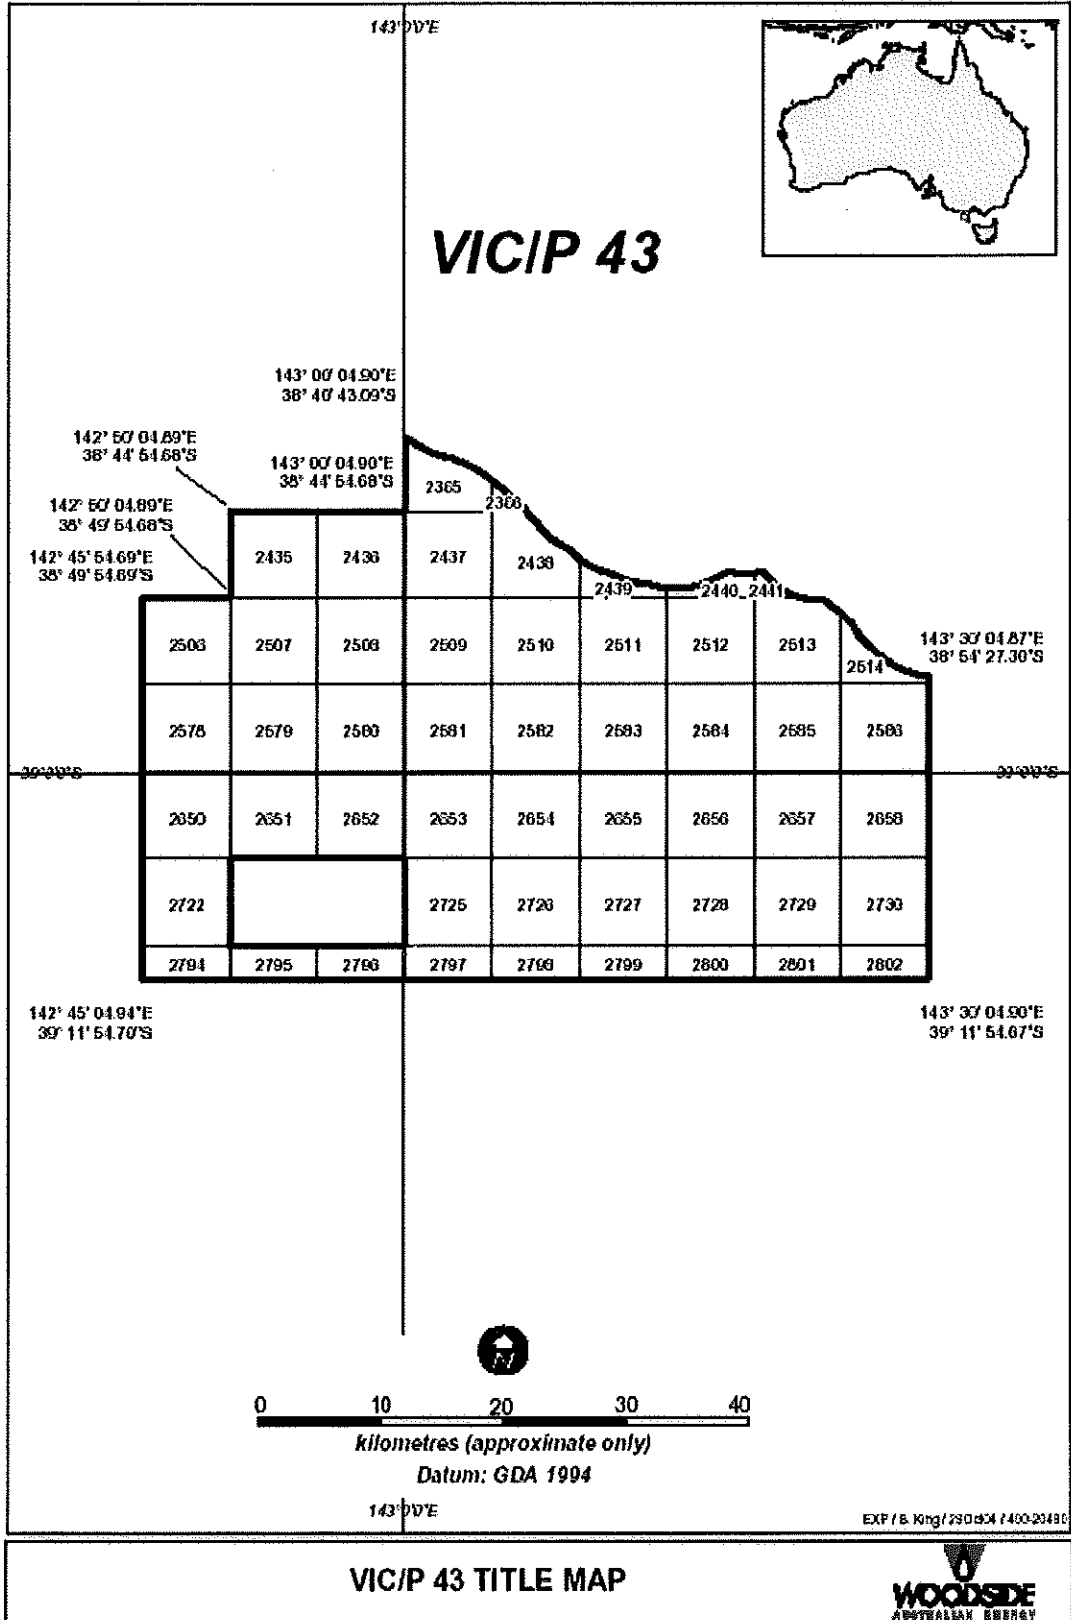

**206 - Supplementary Reports - Studies**

Submitted as described 4.2

DRAFT / WORKING COPY

With Compliments

Director of Petroleum

please find attached an updated version of  
VIC/P43 Data management Plan. The only  
change is the format type that woodside  
would be sending (ie pdf etc) as per table  
4.2. PIRSA asked for that table to be  
clarified so have changed all Data management  
Plans for consistency. Regards

WOODSIDE Sandra King

## 1. General Information

(Regulation 12- Part 3)

A titleholder must record the following information about an activity if applicable to the activity:

a (i)	Location of the activity	State	VICTORIA
		Basin	OTWAY
		Title	VIC/P43 : Blocks 52 (refer to 4.1)
a (ii)	Period of the activity	From: 01/01/2005 to 10/08/2005	
b	Persons undertaking activity	Woodside Energy Ltd (Operator) on behalf of VIC/P43 Joint Venture	
c (i)	The techniques and equipment used to collect the data	N/A	
c (ii)	The techniques and equipment used to process the data	N/A	
c (iii)	The techniques and equipment used to interpret the data	N/A	
d	Progress reports	The following progress reports will be submitted to the DA for the activity/title: <b>VIC/P43</b> <input type="checkbox"/> Daily <input type="checkbox"/> Monthly <input checked="" type="checkbox"/> Quarterly <input checked="" type="checkbox"/> Annual	
e	Data acquisition report detailing the operations carried out as part of the activity	N/A	
f	If processing is undertaken as part of the activity — a data processing report	N/A	
g	If interpretation is undertaken as part of the activity — the interpretation, including maps	N/A	

## 2. Information Requirements

(Regulation 12 - Part 3)

### 2.1. Wells

This DMP does not include the arrangements for submission of Well Data. Any wells drilled in the title area will be subject to a separate DMP

### 2.2. Geophysical Surveys

(Regulation 14 - Part 3)

This DMP does not include the arrangements for submission of Geophysical Data. Any surveys in the title area will be subject to a separate DMP

### 2.3. Geological & Geochemical Surveys

(Regulation 15 - Part 3)

This DMP does not include the arrangements for submission of Geological and Geochemical Data. Any surveys in the title area will be subject to a separate DMP

2.4. Geological & Geophysical Studies  
eg. Office studies, Palynological studies, Core analysis studies,  
Regional studies,

### 3. Requirements for DMP

(Regulation – Schedule 1, Part 1)

#### 3.1. Information and Statements

The contents of the DMP must include the following information:

101	Description of each activity to which DMP relates each location where activity will be carried out	This DMP covers the arrangements for submitting Quarterly and Annual reports and the deliverables relating to studies and Data Reviews in year 6.
102	Description of reports & information that will be made and kept	Table #4.2 lists the information and reports that will be produced in relation to the activity. All information and reports listed in Table #4.2 will be submitted to the Designated Authority.
103	Explanation of data to be given to DA without request by DA information to be kept	All data and reports detailed in Table #4.2 will be provided to the DA without request.
104	Description of media and formats for information, cores, cuttings or samples held	N/A
105	Explanation of how media and formats in 104 are appropriate for type & volume of data collected, comply with DA requirements and comply with good industry practice	N/A
106	Undertake to allow access to data that is publicly available and explain how access will be allowed	Contact Operator to request access to data
107	Describe arrangements that ensure information is preserved according to good archive practice	N/A
108	Issue a statement that reports & information will be given according to the timetable outlined in Part 2 of the schedule or a timetable proposed in the DMP.	Reports & information will be given according to the timetable outlined in Table #4.2.
109	Summary of : (a) data management performance objectives against which performance will be measured <b>and</b> (b) measurement criteria that define the objectives	Reports and information will be given according to the timetable outlined in Table #4.2.
		N/A
110	Explain how the measurement criteria will confirm that the performance objectives have been met.	N/A
111	Summary of arrangements for:	
	(a) secure storage of documents and records at a nominated address and	Information and reports will be stored securely prior to being submitted to the Designated Authority.

	(b) maintenance of documents and records in a way that makes retrieval of documents and other records practicable.	Data and reports are stored electronically in Woodside Energy Ltd's document storage and retrieval system
112	Acknowledge responsibility for collection, storage, and submission of information, cores, cuttings & samples obtained until all have been submitted to DA.	The Titleholder(s) acknowledges responsibility for collection, storage, and submission of information, obtained until all have been submitted to DA.
113	Any other information that is necessary to demonstrate that the DMP complies with the Regulations.	N/A

### 3.2. Reports

#### 201 - Daily reports- Wells

**This DMP does not include the arrangements for submission of Daily Reports – Wells in the title area will be subject to a separate DMP**

#### 202 - Weekly reports- Geological or geophysical field surveys

**This DMP does not include the arrangements for submission of Weekly Reports – Geological or Geophysical field surveys in the title area will be subject to a separate DMP**

#### 203 - Quarterly Reports – Exploration Permit

Quarterly reports will include information of :

i	Description of exploration carried out
ii	Outline of geological & geophysical interpretations made as a result of exploration, including any reprocessing or re-interpretation of basic data
iii	An estimate of exploration expenditure for the quarter
iv	Statistics relating to the exploration
v	Any other information required by the accepted DMP

**204 - Annual Report – Exploration Permit**

Annual reports will include information of :

i	Description of exploration for petroleum that has been carried out	✓
ii	Conclusions derived from the exploration	✓
iii	List of reports that have been submitted during the year	✓
iv	Outline of planned operations for the next year	✓
v	If appropriate – updated interpretation maps	✓ prospects +
vi	Summary of exploration expenditure for the quarter (year)	✓

**205 - Well Completion**

**This DMP does not include the arrangements for submission of Well Data. Any wells drilled in the title area will be subject to a separate DMP**

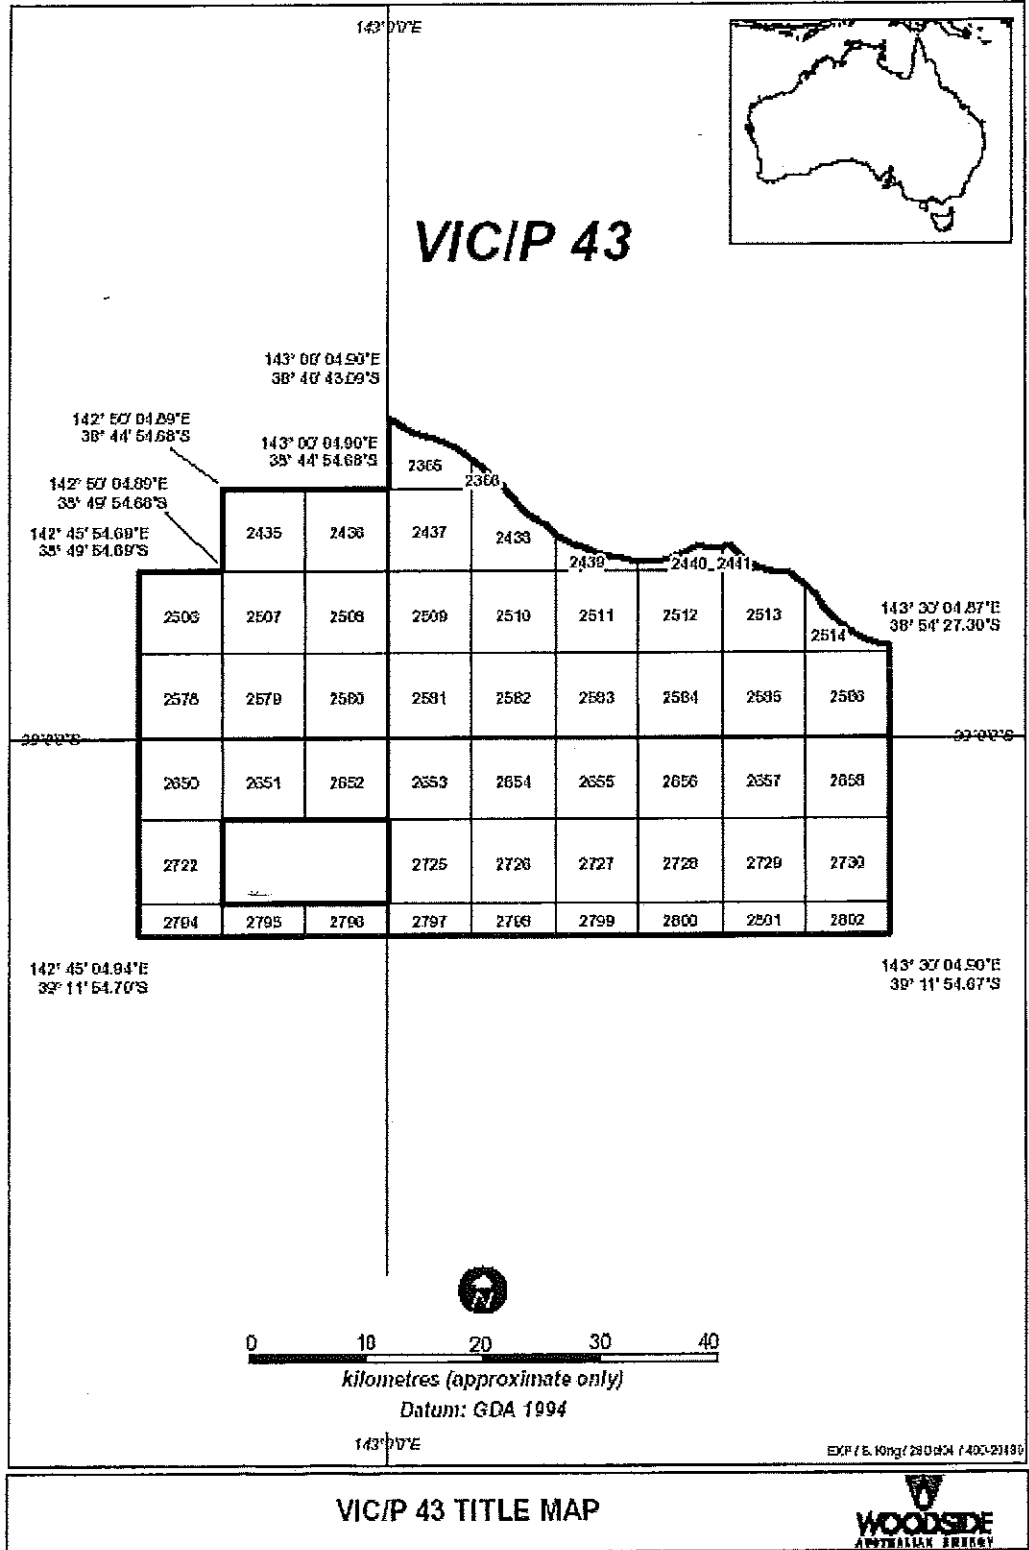

**206 - Supplementary Reports - Studies**

Submitted as described 4.2

4. Enclosures
